WELCOME TO CÔTIER HOUSE

Côtier House is a project deeply close to our hearts. It is a property that embodies the essence of Imtiaz Developments—a seamless blend of artistry, refinement, and an unparalleled living experience. As our most premium endeavour, it is the result of a true labour of love, meticulously crafted from land selection to every design detail.

Our vision is to transform Dubai Islands into a world-class waterfront destination, inspired by the sea's timeless allure and the elegance of marina living. Côtier House offers the best of both worlds—tranquil sea views paired with Dubai's iconic skyline—delivering bespoke, sophisticated residences for those who seek the extraordinary.

Thank you for being part of this journey.

Côtier House is more than just a development; it is a work of art that we are proud to offer to those who seek the extraordinary. Thank you for being part of our journey.

A NEW

PERSPECTIVE

The architectural concept of Côte House is an ode to the ocean. The undulating curves of the waves, the calming sea breeze, and the way light refracts and sparkles across the water's surface. The result is a property of design excellence, with the distinct feeling of belonging that only 'home' can emulate.

› Distinctive ocean-inspired curves.

› A feeling of belonging that only 'home' can provide.

WELCOME TO

DUBAI ISLANDS

The city's most
Eclectic shoreline

Home to Côtier House, Dubai Islands is the rare blend of natural coastline and bustling metropolis. Ideally positioned along the shores of the Arabian Gulf, Dubai Islands offers access to marina-side living, pristine beaches and lush green spaces.

To live on Dubai Islands is to be at the heart of a new marina-front icon.

An aerial photograph of the Dubai Islands development, showing five artificial islands (A, B, C, D, E) in the shape of a palm tree, surrounded by the Arabian Gulf. The islands are lush green with winding roads and clusters of buildings. In the background, the city of Dubai is visible, including the Dubai Creek Harbor and Downtown Dubai skyline. The water is a deep blue, and the sky is clear.

EXPRESSED BY
LOCATION

An aerial photograph of a beach. The left side of the image is dominated by the deep blue, textured surface of the ocean. On the right, waves are breaking, creating a white, foamy surf that runs parallel to the shore. The beach itself is a light tan color, visible on the far right. The overall composition is vertical, with the text centered in the upper half.
