Guided by our **Built With Thought** philosophy, we create refined residences that blend contemporary design, quality craftsmanship, and lasting value - crafting lifestyles, not just structures.

INTRODUCING ————

MAJAN

THE GREEN HEART OF DUBAI

SURROUNDED ———— ——— BY NATURE

Majan's greatest luxury is its neighbour - Al Barari, Dubai's greenest community, **where more than 60% of the 15 Million Sq. Ft.** masterplan is dedicated to greenery. Lush gardens, lakes, and **over 500,000 trees** make the air fresher, the mornings brighter, and the evenings calmer.

SHAPED ———— ——— BY GREEN

Within Majan itself, landscaped parks and shaded walkways weave through the neighbourhood, creating a community that feels rare in Dubai: **a true urban forest in the desert.**
