Intro

EDITOR'S / DEVELOPER'S NOTE

Every home reflects a
different point of view.

SEA VIEW. MARINA VIEW. PARK VIEW.

At ICTReD, we believe a home is defined by more than walls and layouts. It is shaped by perspective, the view you wake up to, the rhythm of your day, and the sense of belonging you feel over time.

Luluat Marina is designed around this belief. Located within the Marina District at Luluat Al Raha, it offers residents the freedom to choose a view that reflects how they live.

HERE, EVERY RESIDENCE IS SHAPED AROUND A POINT OF VIEW.
AND EVERY POINT OF VIEW FINDS ITS PLACE.

A woman with long, wavy brown hair is shown in profile, looking out over a marina at sunset. She is wearing a white shirt and a small, ornate earring. The background is a blurred view of a harbor with many boats and buildings, bathed in the warm, golden light of the setting sun.

If you're a marina lover.

This is the place for you.

If you're a marina lover.
This is the place for you.

If you're drawn to water and movement, Luluat Marina brings the marina into everyday view. Morning light reflects across the water, boats drift by, and walks along the promenade become part of the daily rhythm.

Studios, lofts, and marina-facing apartments are designed to keep you connected to the ease and energy of waterfront living from morning to evening.

A woman with long, wavy brown hair is shown in profile, looking out over a marina at sunset. She is wearing a white long-sleeved shirt and a gold earring. The background features a city skyline across the water, with many boats docked in the marina. The sky is a mix of orange, yellow, and blue, indicating the time is either dawn or dusk. The overall mood is peaceful and scenic.

“
I love waking up and
seeing the boats
move before the day
really starts.”

A full-page photograph of a family of three riding bicycles on a paved path during the golden hour of sunset. The father, on the left, is wearing a light-colored button-down shirt and trousers, with a beard and sunglasses. The mother, in the center, has long dark hair and is wearing a white button-down shirt and light-colored trousers, also with sunglasses. A young child with curly hair, wearing a light-colored t-shirt and shorts with sunglasses, is riding on the right. They are all smiling and looking towards the camera. The path is lined with lush green bushes and trees, and a modern building with large glass windows is visible in the background. The overall mood is warm and happy.

If you're building a life with family.

This is the place for you.

If you're building a life with family.
This is the place for you.

If space, greenery, and balance matter, Luluat Marina offers room for life to unfold naturally. Park views open the home outward, while green spaces invite children to play freely and families to spend more time together.

Larger apartments suit the rhythm of family life, where mornings are calm, afternoons stretch outdoors, and everyday moments happen without effort. The park becomes part of the home, a place to gather, play, and unwind.

“
Most afternoons
end up outside with
the kids. The green
space makes the
day feel lighter.”

A man with dark, wavy hair and a beard, wearing a white long-sleeved shirt and white trousers, is sitting on a light-colored sofa. He is holding and reading a newspaper titled "Le Monde". The sofa has a green patterned cushion. In the foreground, there is a glass vase with dried, golden-brown branches. The background shows a large window or balcony railing overlooking a blue sea under a blue sky with light clouds. The overall atmosphere is calm and sophisticated.

If you value lifestyle and space.

This is the place for you.

If you value lifestyle and space.
This is the place for you.

Sea views become part of everyday living at Luluat Marina, where leisure, wellness, social time, and quiet moments flow naturally together. Lofts and flexible layouts create openness and adaptability, while pools, fitness facilities, and walkable surroundings support an active, connected lifestyle where everything feels thoughtfully considered.

“
My home here
fits the way I live,
not the other way
around.”

If you're thinking long term.

This is the place for you.

If you're thinking long term.
This is the place for you.

If you look beyond trends and focus on places people genuinely want to live, Luluat Marina stands out. Its appeal isn't explained. It's felt. Location, planning, and lifestyle come together in a way that naturally attracts demand.

It's an address chosen for how it lives today, and how it holds relevance over time.

“
When a place
works for everyday
life, everything else
follows.”

A growing waterfront destination.

The Marina District has already welcomed residents through the successful launch of Juman 1, Juman 2, and Juman 3, each contributing to a community shaped by lifestyle, location, and long-term relevance.

These buildings laid the foundation for a connected waterfront neighbourhood.

Luluat Marina emerges as the
pearl of the marina, a new chapter
at the heart of life by the water.

Invest in an international
award-winning master plan project.

Luluat Marina

A point of view
on connectivity

Luluat Marina sits within Luluat Al Raha, a new island destination at the heart of Al Raha Beach. Defined by its marina-front setting and coastal character, the Marina District offers seamless access to Yas Island, Saadiyat, Abu Dhabi city, and Zayed International Airport.

While connectivity remains effortless, the environment feels calm and considered. Water replaces congestion, walkways replace noise, and daily life feels balanced between movement and retreat. A location designed for modern living, without compromise.

Masterplan

A point of view on design

The Marina District masterplan is shaped around water, openness, and flow, with residences designed to maximise views, natural light, and connection. At the heart of it, Luluat Marina is conceived as an integrated waterfront address, where landscaped walkways, green spaces, and the marina promenade come together to create an intuitive and effortless way of living.
